

Membership Advantages

- ✓ EBA is the voice of biogas in Brussels and also **supports the interests of your company**. Our Association works in close cooperation with EU institutions and actively **contributes to the legal framework of biogas**.
- ✓ EBA's office, at the Renewable Energy House, **represents biogas** and makes your company visible within the family of renewables.
- ✓ EBA has an **extended network across Europe**. Our members are national Biogas Associations, international companies, research institutes as well as private persons. As a company member you can participate and contribute to this platform.
- ✓ **EU projects** - international projects help to develop the biogas sector. EBA is partner in different EU projects (e.g. GreenGasGrids, European Sustainable Biofuels Platform, FAB Biogas). As a company member you can be involved in our research activities and cooperate with EBA in removing existing barriers for biogas.
- ✓ EBA created a **Company Advisory Council (CAC)** which gives an opportunity to the industry to reflect their views towards the European Parliament Institutions by strengthening EBA's voice in policy-making in a concerted way. Some of the special activities of the CAC increasing your company's visibility in Europe are:
 - Visibility of your company and services in the **Companies' Catalogue**
 - Broadcasting your successful projects in **Success Stories**
 - Creation and visibility in **brochures** on biogas specific topics
 - Visit of smaller **biogas exhibitions** throughout Europe at competitive costs with EBA Pavilion
 - **Networking** events
- ✓ You will get EBA **publications and studies** (available for members only):
 - Annual Biogas Report about the development of the European industry and future perspectives
 - Country profiles allowing your company to identify opportunities on international markets
 - In-depth analysis of the National Renewable Energy Action Plans and EU policies in general
 - Information on national support mechanisms and barriers to biogas deployment
- ✓ **Information exchange:**
 - Regular **newsletters**, first-hand information on changes in EU policies related to biogas, updates through social media (LinkedIn, Twitter)
 - Own **EBA workshops**
 - Update son latest international events and trade fairs, discount on entrance fees Exclusive information on the **website** with own login details
- ✓ You can become a speaker or a sponsor of the Europe-wide **Biogas Conference** with the high-level speakers and the latest news from biogas technology. A Conference which each time explores a new country!
